Interpretation of your score:

Your score

- 0 - 18 : **Low performer.** This domain should be your number one priority to work on.
- 18 - 41 : **Average performer.** Your performance still leaves substantial room for improvement.
- 41 - 49 : **Good performer.** Some room for improvement remains, but overall you score above average.
- 49 - 54 : **Top performer.** Your performance approaches or equals that of best-in-class performers.

Focus particularly on those results within the attention zone.
